Our Story

MAV was founded to rapidly change the industry standards of service by reducing corporate red tape between sales and customers.

We provide unprecedented service.

We leverage our key, long-standing relationships.

We bring best practices of top industry veterans.

We believe nothing should stand in the way of 100% customer satisfaction.

"MAV has continued to provide us with world class service, all while providing the personal touch that we all want from our providers! The part that truly sets them apart is the fact that they get it across the border in just a few days, which ultimately gets it to the customers faster than anyone out there! I highly recommend them!"

Carlos E.

Our Story

Our commitment to excellence shines through our unique approach to working closely with Small and Medium Enterprises (SMEs), a partnership that fuels our ability to deliver an unparalleled customer experience.

Our team is always just a phone call away, ready to provide immediate assistance whenever our valued customers need us.

At MAV Transport, we don't just move goods; we propel businesses forward.

"We have been working with MAV for the last 5 years for our international shipping needs. MAV's customer service is top notch, and their service and same day pickup's are an added bonus. Thank you for making our daily workload much easier. "

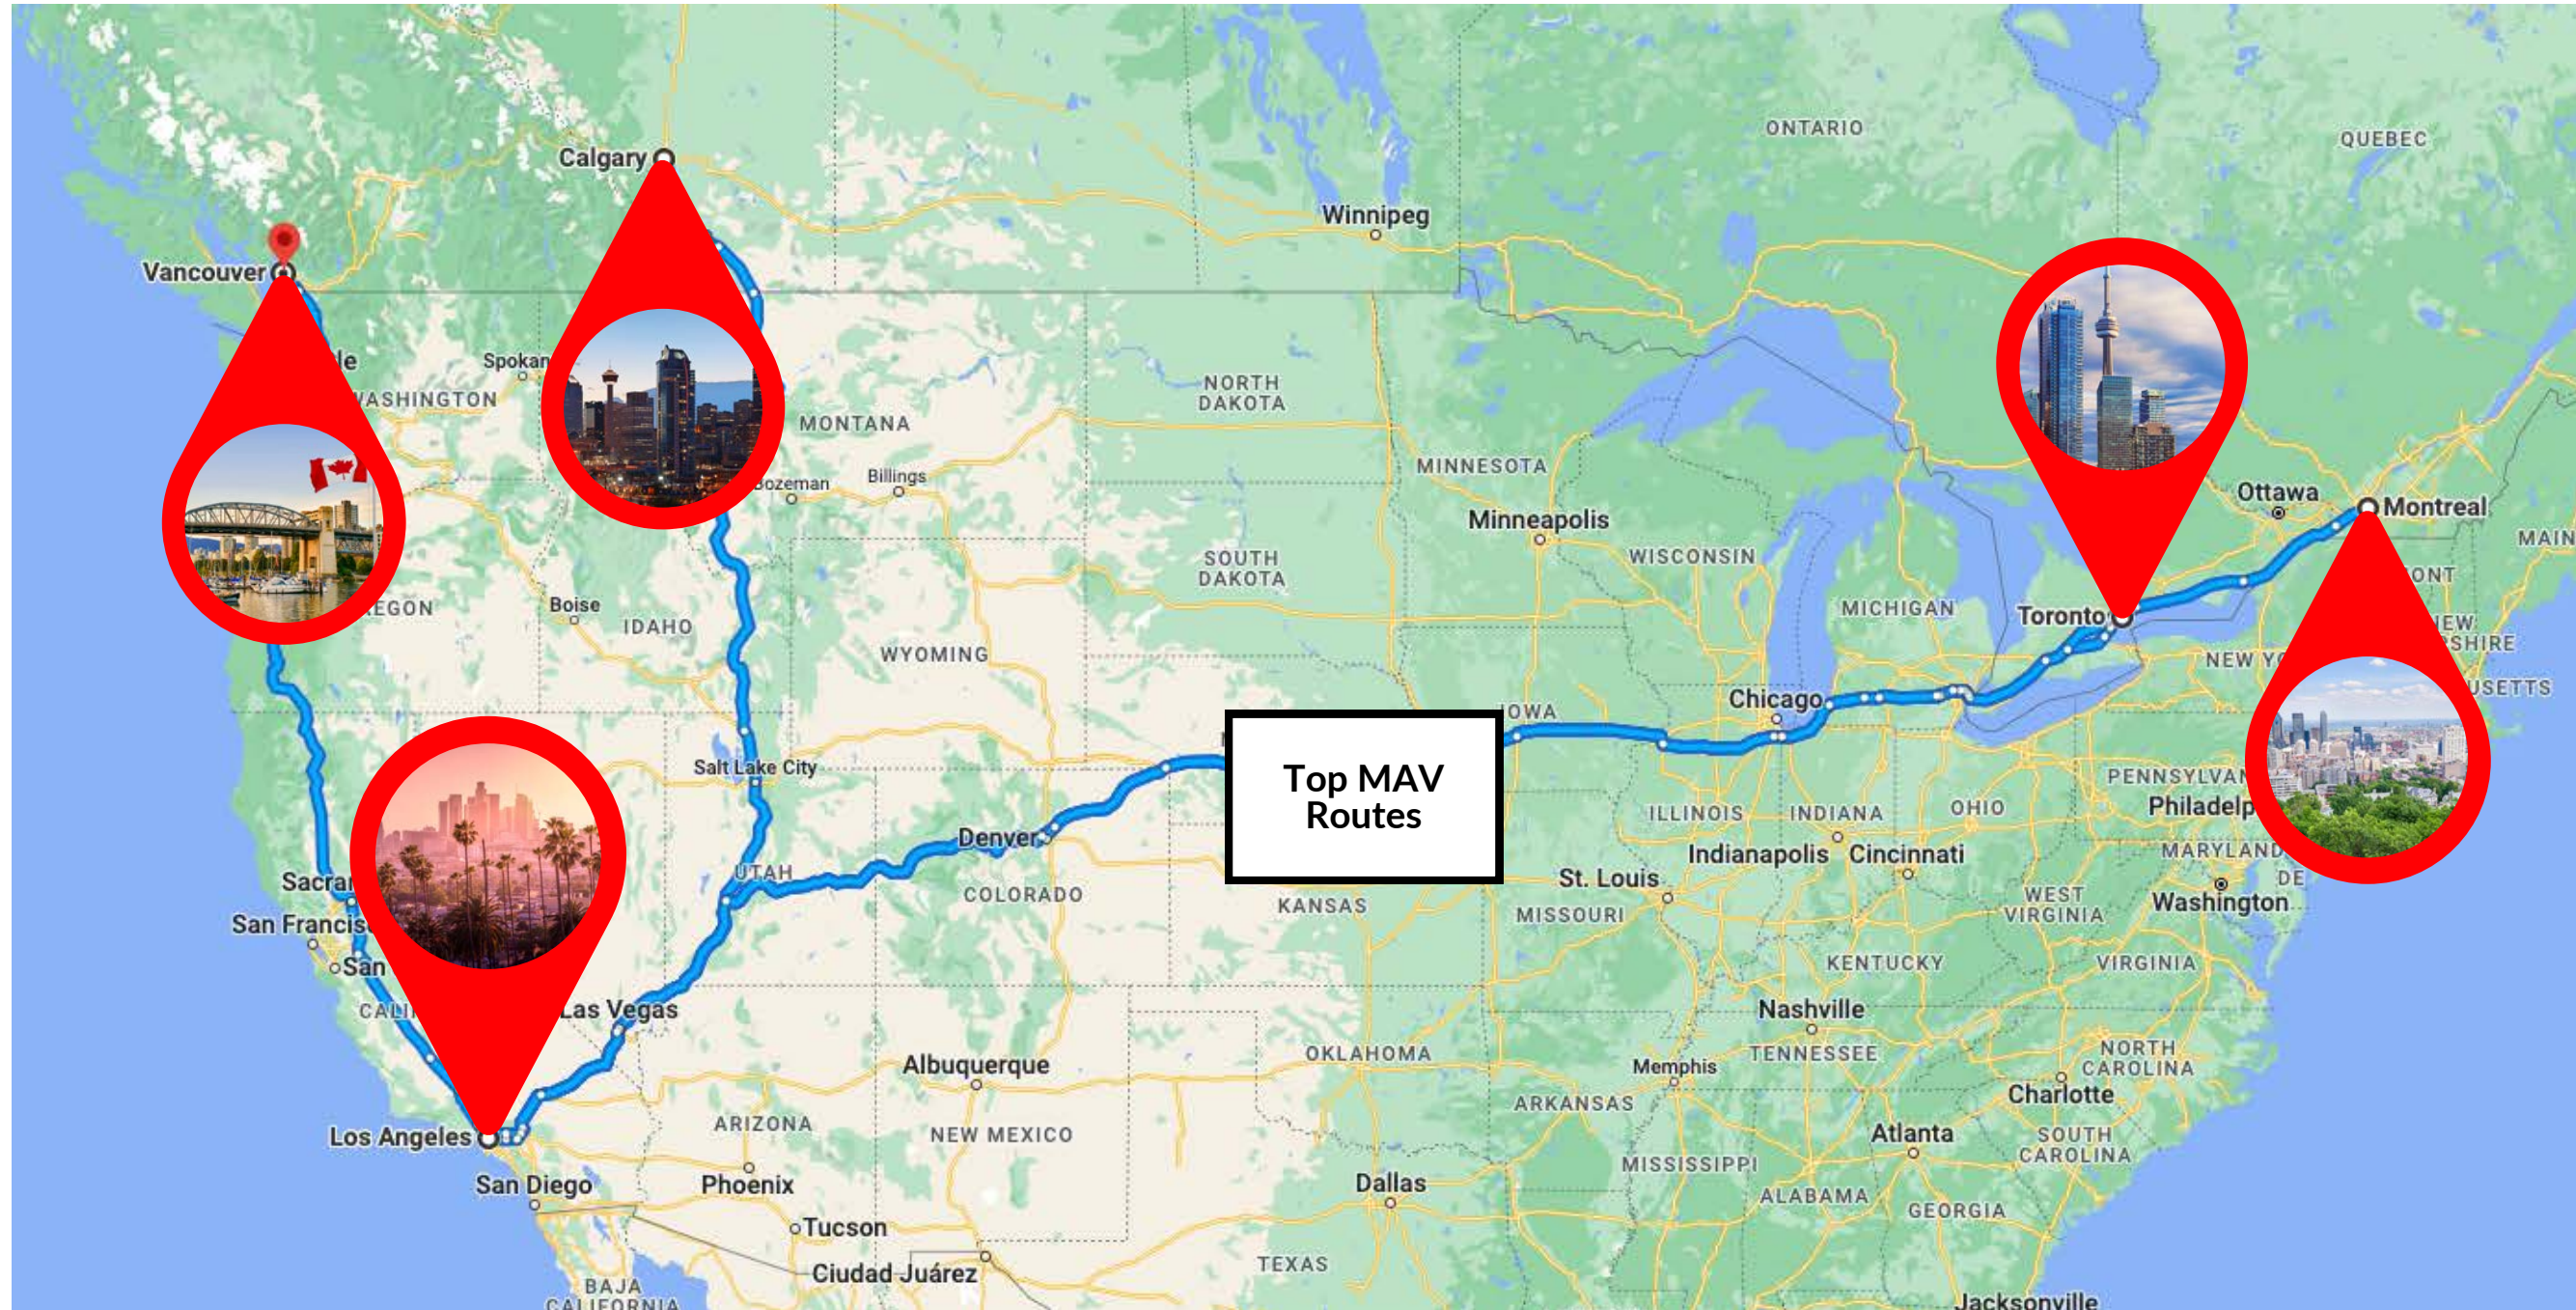

Brandon M.

Geographic Reach

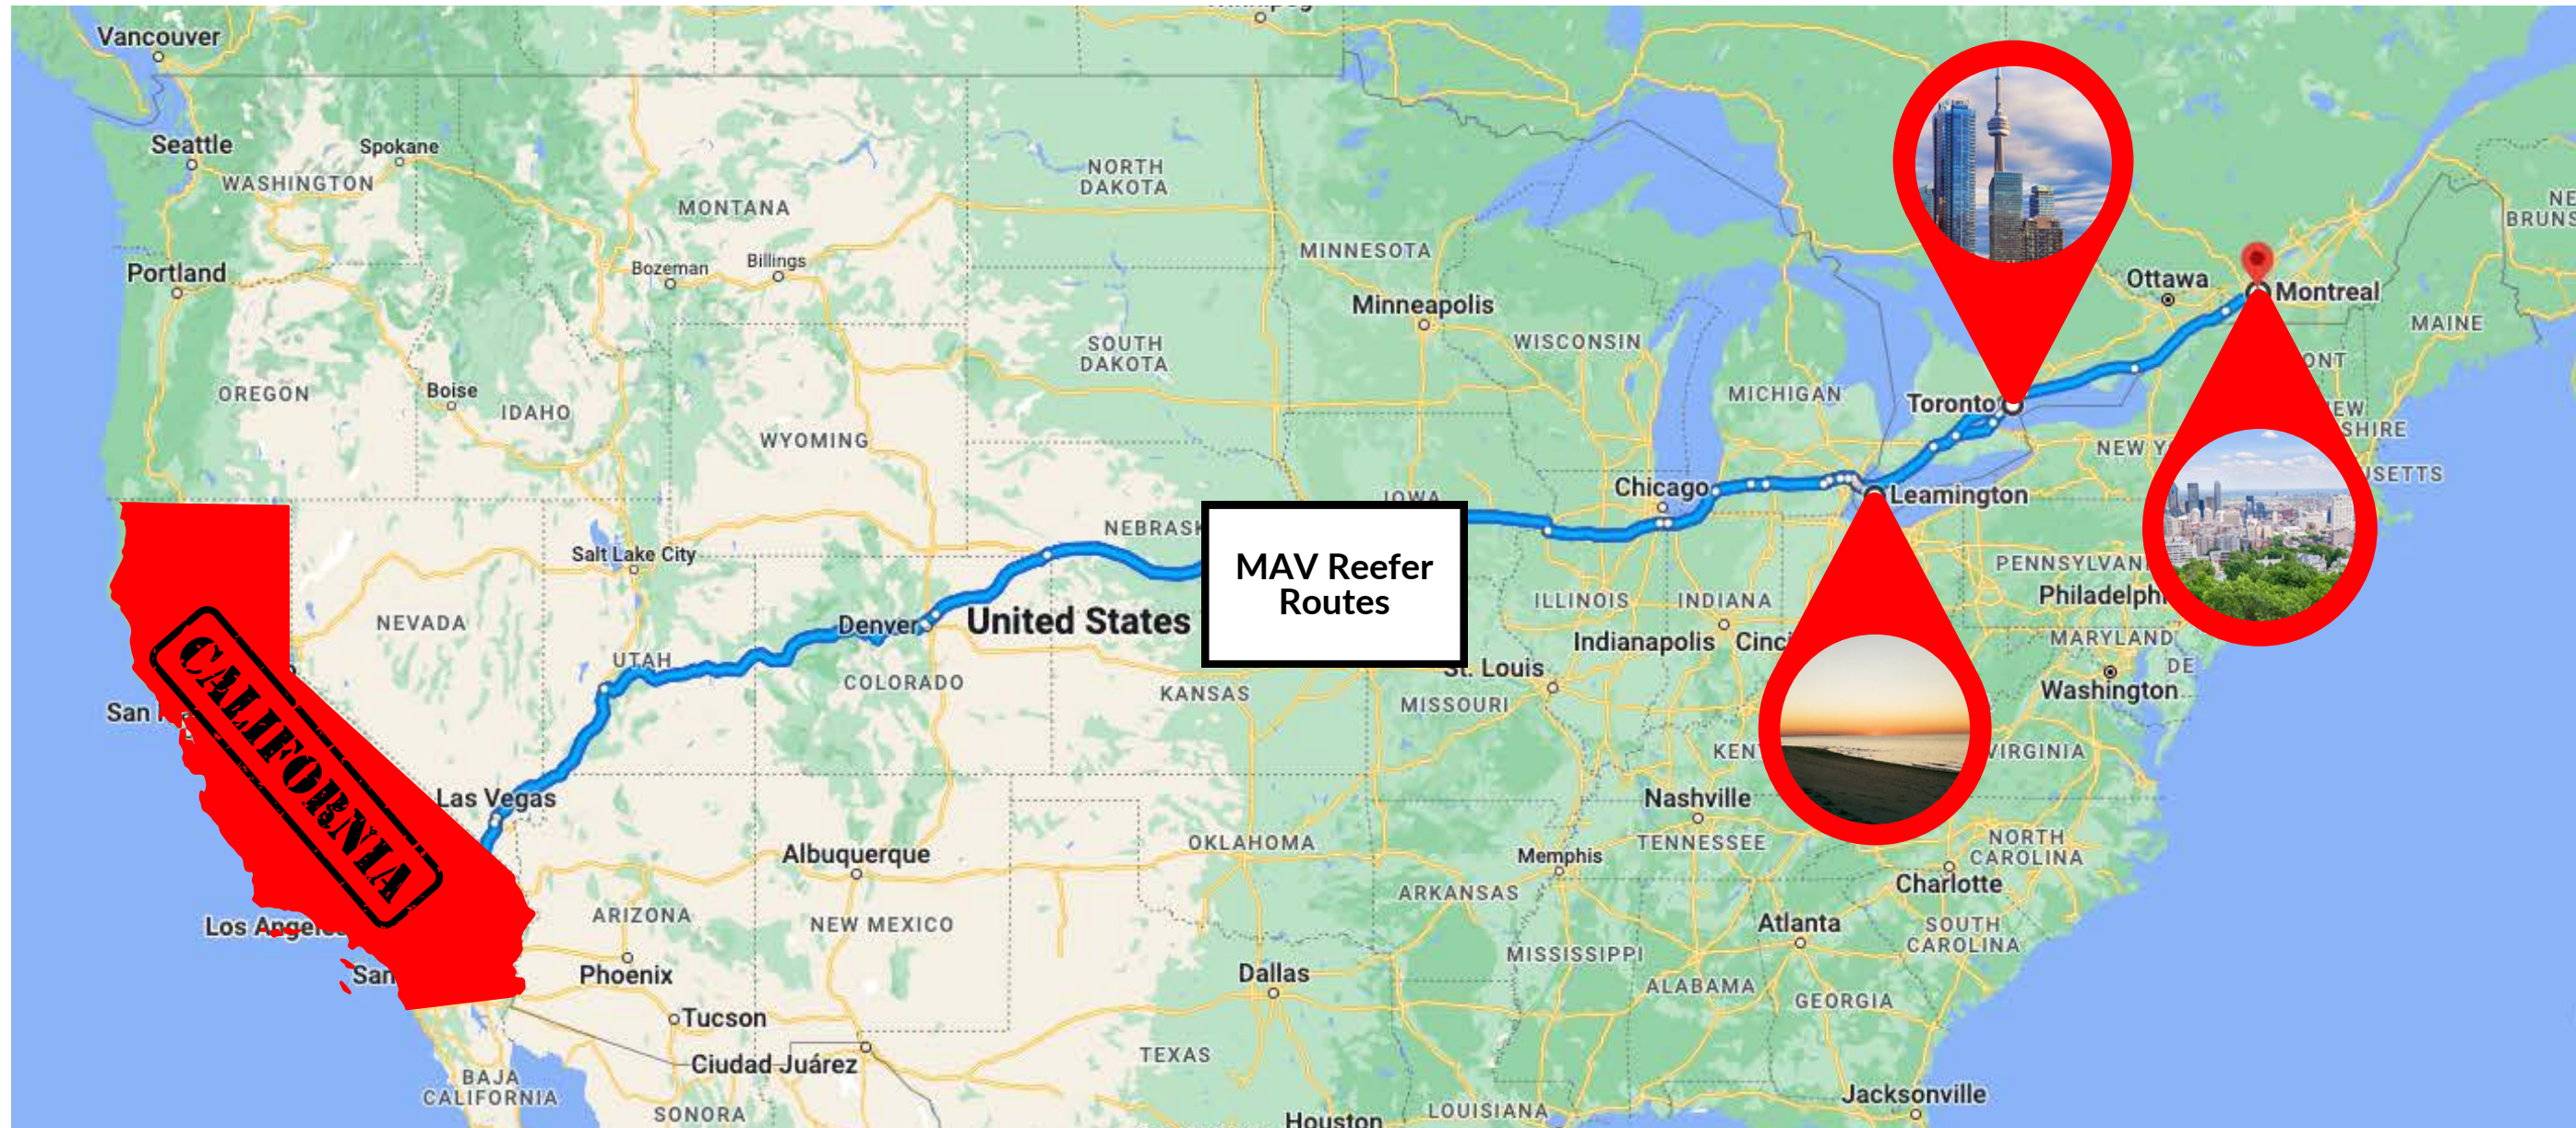

Serving North America, we connect businesses across borders. With an extensive network and the ability to offer same day pickup in Los Angeles, we ensure timely and secure deliveries, fostering global trade relationships.

Routes

Routes

Routes

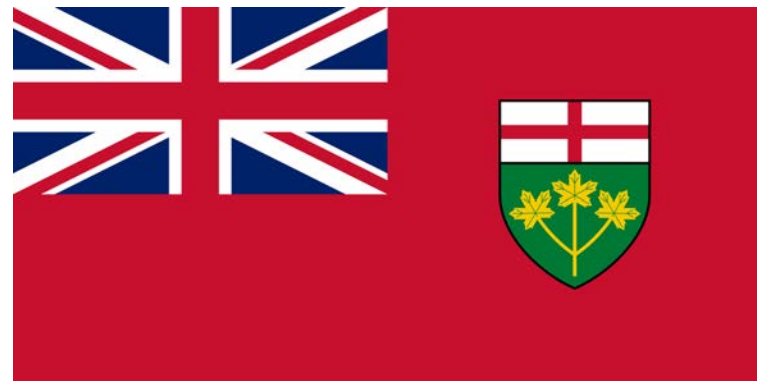

Routes

Outbound from Toronto to highlighted provinces and all lower 48 US states

Docks: 10

Crossdock

Local Southern California Pickups and Deliveries

Transportation Management System (TMS)

Customs Solutions

Our veteran staff have experience working with both the CBSA and U.S. CBP. We'll reduce or eliminate unnecessary and costly delays or charges whenever possible.

Specialized Services

Elevate your logistics with our specialized solutions. From temperature-controlled services to white-glove delivery, we tailor unique options to meet your requirements.

SPECIALIZED SERVICES

Domestic US Truckload

Offering comprehensive truckload solutions across the US. With our vast fleet and experienced drivers, your cargo reaches its destination with precision.

SPECIALIZED SERVICES

Cross Border Truckload

Seamlessly navigating cross-border challenges, our truckload service ensures smooth and timely deliveries between Canada and the US.

SPECIALIZED SERVICES

Rail Services

Optimize your transportation strategy with any of our rail services. From Domestic U.S. to Cross Border or Domestic Canada, we've got your covered from coast-to-coast. Efficient, eco-friendly, and reliable freight transport for your business needs.

SPECIALIZED SERVICES

Temperature-Controlled Services

Maintain the integrity of your cargo with our temperature-controlled services. From pharmaceuticals to perishables, trust us for safe deliveries with consolidation options.

TEMPERATURE-CONTROLLED SERVICES

Explore our exceptional reefer services, ensuring the safe and reliable transport of temperature-sensitive cargo. Trust us for precision, reliability, and expertise in cold chain logistics.

From baked goods to perishables, we maintain optimal conditions throughout the journey, preserving the quality of your cargo.

TEMPERATURE-CONTROLLED SERVICES

Examples of Specialized Cargo

Our reefer services accommodate diverse cargo types, from fresh produce to baked goods. We tailor solutions to the unique requirements of your temperature-sensitive shipments.

TEMPERATURE-CONTROLLED SERVICES

Our reefer services accommodate diverse cargo types, from fresh produce to baked goods. We tailor solutions to the unique requirements of your temperature-sensitive shipments.

TEMPERATURE-CONTROLLED SERVICES

Examples of Specialized Cargo

Our reefer services accommodate diverse cargo types, from fresh produce to baked goods. We tailor solutions to the unique requirements of your temperature-sensitive shipments.

TEMPERATURE-CONTROLLED SERVICES

Our Approach

We combine technology, expertise, and dedication to ensure that your temperature-sensitive cargo reaches its destination in pristine condition.

TEMPERATURE-CONTROLLED SERVICES

Specialized Handling

Your cargo's safety is our priority. Our specialized handling protocols, such as taking your shipments temperature at the start of each delivery, guarantee that your temperature-sensitive goods are cared for at every step of the journey.

TEMPERATURE-CONTROLLED SERVICES

Technology and Equipment

We utilize cutting-edge technology and state-of-the-art equipment, like pulp thermometers and temp records, to monitor and maintain optimal temperatures, ensuring the integrity of your cold chain throughout delivery.

TEMPERATURE-CONTROLLED SERVICES

Cold Chain Integrity

Maintaining the cold chain is critical. Our rigorous processes and real-time monitoring guarantee that your cargo's temperature remains consistent throughout transit.

TEMPERATURE-CONTROLLED SERVICES

Compliance and QA

Regulatory compliance is paramount. Our quality assurance measures ensure that your temperature-sensitive shipments meet all industry regulations and standards.

SPECIALIZED SERVICES

Flatbed Services

Oversized or uniquely shaped cargo? Our flatbed services offer tailored solutions for secure and efficient transportation.

SPECIALIZED SERVICES

White Glove Service

Exceeding expectations, our white-glove service ensures meticulous handling and special care, making deliveries an exceptional experience.

OUR FLEET

Our diverse and modern fleet forms the backbone of our logistics excellence, guaranteeing reliable deliveries and exceptional service.

● ● ● PARTNERSHIPS

Collaboration drives our success. We forge strategic partnerships that enhance our capabilities and provide seamless solutions to our clients.

Explore our success stories. Real-world examples showcase how we've overcome challenges and delivered exceptional logistics solutions time and time again.

Client Testimonials

Our clients speak for us. Hear from satisfied partners who've experienced the MAV Canadian Transport difference firsthand.

Alex H.

"MAV is my go to provider to get product from California to Canada. Our HQ sits in China and MAV has been seamless moving our product to both Vancouver and Toronto via our LA Office.

Same day pick up and hassle free border crossing are huge benefits growing in to the Canadian markets. A great service provider we're happy to partner with!"

Client Testimonials

Our clients speak for us. Hear from satisfied partners who've experienced the MAV Canadian Transport difference firsthand.

Harry C.

"Time is money, and having the right stock on hand is an important key to my business. We have limited warehouse space in Toronto and MAV service has been great in all seasons/days of the week when I place a pick-up order.

0 breakage and always on time or early! Amazing service that I'm glad to work with."

CONCLUSION

Partner with MAV Canadian Transport for a future of reliable logistics, innovative solutions, and collaborative success.

Let's build the next chapter together.
