

Fuel Surcharge Policy

MAV Canadian Transport will adjust the fuel surcharge based on that day U.S National Average Fuel Index in accordance with the chart detailed below. The left and center columns are the price of diesel fuel in cents (U.S.funds) and the right hand column is the corresponding fuel surcharge as a percentage base freight charge.

PRICE PER GALLON			
FROM	TO	LTL %	FTL %
360	364.9	27.0	32.0
365	369.9	27.5	32.5
370	374.9	28.0	33.0
375	379.9	28.5	33.5
