# Our Story

MAV was founded to rapidly change the industry standards of service by reducing corporate red tape between sales and customers.

We provide unprecedented service.

We leverage our key, long-standing relationships.

We bring best practices of top industry veterans.

We believe nothing should stand in the way of 100% customer satisfaction.

"MAV has continued to provide us with world class service, all while providing the personal touch that we all want from our providers! The part that truly sets them apart is the fact that they get it across the border in just a few days, which ultimately gets it to the customers faster than anyone out there! I highly recommend them!"
